Dear LINDSEY K. SPRINGER

Although we previously sent you a notice of our intention to collect your unpaid tax through enforced collection, our records show that you still have not paid the amount you owe. Enforced collection may include placing a levy on your bank accounts, wages, receivables, commissions, etc. It could also involve seizing and selling your property, such as real estate, vehicles, or business assets.

To prevent collection action, please pay the amount you owe by 11/30/2009.

Make your check or money order payable to the United States Treasury, and write your social security number or employer identification number on it. Send your payment to us in the enclosed envelope with a copy of this letter. The amount you owe is shown on the next page.

If you recently paid this or if you can't pay it, call as soon as you get this letter. Our telephone number is at the top of this letter. If you disagree with our taking enforcement action, you may be able to work out another solution. Speak to the person whose name appears at the top of this letter, or ask for that person's manager. If you do not agree with the results, you may ask for appeals consideration.

The unpaid amount from prior notices may include tax, penalties, and interest you still owe. It also includes credits and payments we have received since our last notice to you.

Interest - Internal Revenue Code Section 6601

We charge interest when your tax is not paid on time. Interest is computed from the due date of your return (regardless of extensions) until paid in full or to the date of this notice. Interest is also charged on penalties assessed on your account. Interest compounds daily except on underpaid estimated taxes for individuals or corporations.

We figured the interest and late payment penalty to _____

Although we have told you to pay the amount you owe, it is still not paid. This is your copy of a notice of levy we have sent to collect this unpaid amount. We will send other levies if we don't get enough with this one.

Banks, credit unions, savings and loans, and similar institutions described in section 408(n) of the Internal Revenue Code must hold your money for 21 calendar days before sending it to us. They must include the interest you earn during that time. Anyone else we send a levy to must turn over your money, property, credits, etc. that they have (or are already obligated for) when they would have paid you.

If you decide to pay the amount you owe now, please bring a guaranteed payment (cash, cashier's check, certified check, or money order) to the nearest IRS office with this form, so we can tell the person who received this levy not to send us your money. Make checks and money orders payable to **United States Treasury**. If you mail your payment instead of bringing it to us, we may not have time to stop the person who received this levy from sending us your money.

If we have erroneously levied your bank account, we may reimburse you for the fees your bank charged you for handling the levy. You must file a claim with the IRS on Form 8546 within one year after the fees are charged.

If you have any questions, or want to arrange payment before other levies are issued, please call or write us. If you write to us, please include your telephone number and the best time to call.
